

**British Land
Reclamation
Society**

Development Officer

The BLRS (formerly the British Land Reclamation Society incorporating the National Land Reclamation Panel of the Local Authorities) is seeking to appoint a part time self employed Development Officer to help the Management Committee develop and grow the Society.

The Society was established in 1992 and merged with the NLRP in 2008 to further enhance its work and reputation. The Society is truly multidisciplinary representing most professions involved in land reclamation and broader regeneration.

We now seek an individual with an active interest in the subject and the vision to help us grow to our next stage. It is envisaged that the role will initially be for 1-2 days per week for a 6 month period to allow the Development Officer and Management Committee to assess the growth potential for the Society.

Good contacts/networks within the brownfield reclamation and regeneration industry are vital to the success of the role.

Full cv and letter explaining your suitability should be sent to: Euan Hall, BLRS, Arpley House, 110 Birchwood Boulevard, Birchwood, Warrington WA3 7QH.

Closing date: Friday 29th May.

For further information contact :

Euan Hall, Chairman, BLRS – 01925 644733
